

Medicaid Provider Enrollment **December 1 Application Deadline Approaching**

The 21st Century Cures Act, enacted last year, requires that network providers to Medicaid Managed Care and the Children's Health Insurance Program must be enrolled with State Medicaid programs by January 1, 2018. Ahead of this date, [DOH](#) has set a December 1, 2017 deadline for providers that contract with managed care plans to submit enrollment applications (if they have not done so already).

Click [here](#) to access the enrollment application. Any provider that does not enroll in a timely manner will be removed from the managed care networks it contracts with.
